

PLACES TO VISIT

We are situated on the N Cornwall / West Devon border about 3.5 miles inland from the coastal resort of Bude and the sandy beach of Widemouth Bay, which is renowned for its surfing.

There are many sporting activities to enjoy in and around the Bude area including Surfing, Golf, Tennis, Fishing and Riding etc.

There are also many places you can visit in Devon and Cornwall, most of which are within an hour's drive.

Bude, a small Victorian seaside town being the closest, with picturesque towns and villages such as Boscastle, Tintagel, Padstow and Newquay not being far away.

Welcome to

Hedley Wood Caravan & Camping Park

where you can be sure of a warm welcome all year round!

We are a family-run site, with a 'laid-back' atmosphere which we know appeals to our campers. Our park is set in 19 acres of

natural woodland surroundings with level pitches available in sheltered or open areas, or if preferred, slightly sloping pitches with a sea view. We cater for all sizes of caravans,

tents and motor-homes or you can hire one of our static caravans - the choice is yours. (All static vans are positioned in secluded areas, away from touring caravans and tents. Please see our static van info sheet which is available separately.

The **site shop** is located at the front of the complex selling the most popular grocery items, dairy products, Calor Gas,

Camping Gas and camping accessories along with those odds and ends that you sometimes forget to bring with you. You will also find a wide range of tourism leaflets and a cash machine. We also offer a freezer pack service and battery charging facility.

We have two toilet blocks, located in Willow Bay and also below the complex, with FREE showers and FREE hot water, along with hairdrying facilities.

Two public telephones are available, one in the Woodman bar and one adjacent to the shop and reception.

We have a challenging **Adventure Play Area** for the older children and a mini assault course, climbing frame, model train etc for the younger children to play on within sight of the Woodman Bar so you can relax and watch your children play safely.

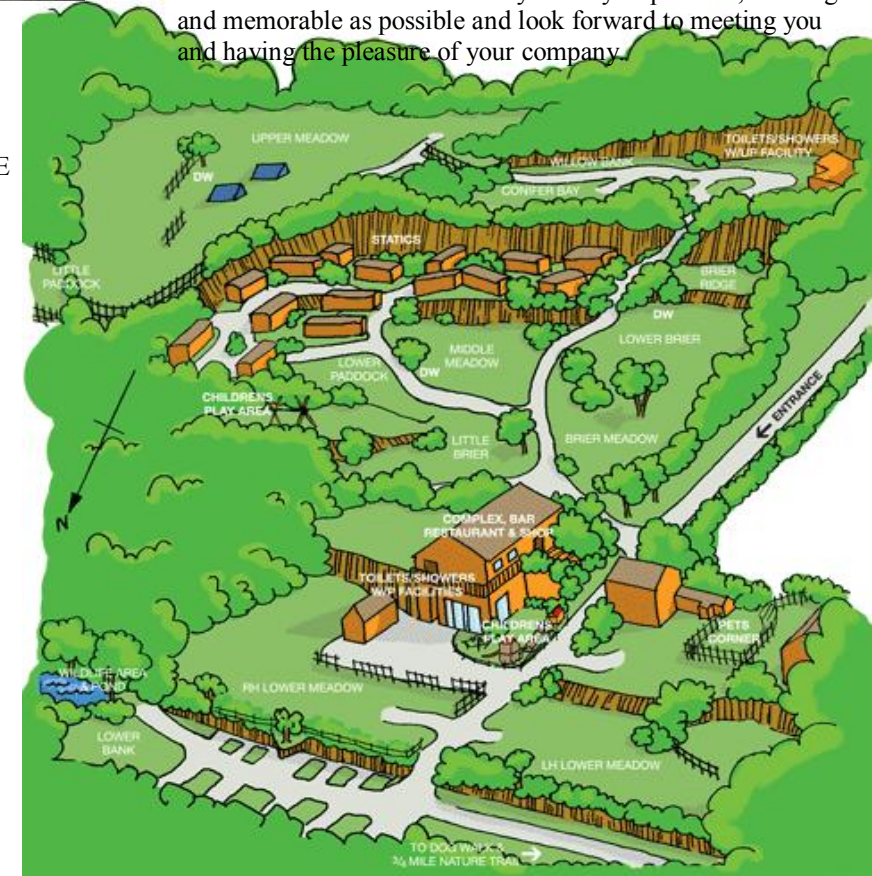

We have Dog Walks and Nature Trails which prove to be very popular with pet owners and campers. Well behaved dogs are most welcome with no extra charge - we can also offer a Dog Kennelling facility so you can go off and visit those places that do not allow pets.

The Pets Corner, opposite the complex, has a growing number of animals to see including Ducks, Chickens, Chipmunks, Goats and Pigs.

The site covers around 19 acres of natural woodland and meadows, some with magnificent views in an area of outstanding natural beauty. We have over 2 miles of lovely woodland paths that meander through the park away from roads, making it safe for children.

We will do our utmost to make your stay as pleasant, relaxing and memorable as possible and look forward to meeting you and having the pleasure of your company.

The Complex is situated central to the site and has a number of facilities, these include the **Woodman Family Licensed Bars** upstairs and downstairs with pool tables, TV and amusements.

Also available are Woodman Bar and restaurant meals, take-aways and Sunday Carvery. Through the season (numbers permitting) we have family entertainment including Bingo and discos, catering for all.
